

## Policies of Carteret Ob Gyn Associates

### Late Appointment and No Show Appointment Policy

Carteret Ob Gyn has a very strict late policy. Please arrive 15 minutes prior to your appointment time. Patient's late for their appointments may be asked to reschedule to another day.

Please give 24 hour notice if you are not able to keep your appointment. Failing to give proper notice may result in termination from our practice.

### Prescription Policy

Prescriptions are filled electronically using e-prescribe at Carteret Ob Gyn. Please contact your pharmacy during normal business hours for prescription refill request. Please allow 72 hours for processing of prescription refills.

If you are going to run out of a medication that we prescribed before your next appointment, you will need to contact your pharmacy for a one time refill.

**Prescriptions are not called in after hours or on the weekend.**

### Ultrasound Policy

Our policy limits two (2) people in the ultrasound room. This includes children under the age of 10 who must be accompanied by an adult other than the patient.

It is our policy that we do not allow videotaping or picture taking of the sonogram. You will receive a keepsake image that is printed on thermal paper, which can fade over time. The best way to preserve the image is to keep it away from the heat and sunlight. Do not laminate your image, as doing so can destroy it.
